

TRUCKMAN
THE UK'S LARGEST HARDTOP MANUFACTURER

COMMERCIAL HARDTOPS

INTRODUCTION

TRUCKMAN HARDTOPS THE ULTIMATE L200 ACCESSORY

For over 25 years, Truckman – the UK's leading hardtop supplier have been proud to work in partnership with Mitsubishi.

Truckman hardtops are renowned for their robust, secure and stylish features, the ideal solution for bespoke commercial hardtops.

Dating back to 1982, the Truckman brand has become an iconic name in the automotive sector and the Mitsubishi range has been specifically designed for the award winning new L200.

Designed, engineered and built in the UK, Truckman's commercial hardtops have been specifically developed using state-of-the-art manufacturing to produce the perfect hardtop for Mitsubishi L200 customers.
