TRUCKMAN
THE UK'S LARGEST HARDTOP MANUFACTURER

NISSAN APPROVED TRUCKMAN HARDTOPS FOR THE NISSAN NAVARA

ABOUT TRUCKMAN

TRUCKMAN – THE UK'S LARGEST HARDTOP MANUFACTURER

For over 35 years, Truckman has been recognised as one of the UK's leading hardtop and accessory suppliers for the pick-up market - the ideal accessory for both leisure and commercial customers.

Truckman hardtops are renowned for their robust, secure and stylish features, which is why Truckman has been the approved accessory supplier for Nissan since 1998.

The hardtop range has been specifically developed using state-of-the-art techniques to complement the stylish lines of the Nissan Navara and inevitably produce the perfect hardtop for customers.

All Truckman hardtops are designed in the UK, whilst our renowned commercial range are designed, engineered and manufactured at Truckman's West Midlands headquarters

Truckman is committed to providing the highest standard of products and services. The company has ISO 9001 audited by TUV.

WHAT WE OFFER

With our 120,000sq ft. warehouse; Truckman offers the largest stock and production of hardtops and pick-up accessories in the UK.

Truckman's UK headquarters include a research and development department, a state-of-the-art production facility, training area, fully stocked warehouse, sales and marketing office, plus a dedicated customer service team.

Truckman offers over 25,000 different products to fit a variety of vehicles (new and old), and with stock management being an integral part of Truckman's ethos, it allows us to easily distribute worldwide to keep up with demand.

Customer service is the key to Truckman's success, from advising customers on their most suitable hardtop to arranging specialist requests for fleet customers looking to bulk buy a bespoke utility hardtop.

WORKING TOGETHER, BETTER TOGETHER

Truckman have been working in partnership with Nissan for over 20 years and together, have developed a range of hardtops and accessories that offer a stylish and secure storage solution for Navara customers.

All Truckman accessories come with a peace of mind 3-Year warranty.

BED DRAWERS

DECKED is the latest pick-up accessory to arrive from the States - the pick-up masterminds!

This innovative, robust and secure drawer storage system comes complete with two full bed-length drawers, which roll out to provide ergonomic access to tools and equipment, whilst still allowing for full use of the truck bed.

The ideal accessory for any pick-up owner, perfect for commercial customers such as electricians, plumbers, builders and landscapers as well as general leisure users and outdoor adventurers.

- Extremely weatherproof
- Integrated drainage channels to keep water away from drawer contents
- Rugged - it can carry 1000kg on the raised deck
- Highly ergonomic - drawers run freely and bring contents into easy reach
- Easy to use handles. Each drawer will carry 100kg
- Rot proof - drawers and deck are made from HDPE (high-density polyethylene) with a galvanised steel sub-frame
- 3-Year warranty
- Can be fitted with any Truckman hardtop
- Drawers lock in open position even on hills
