HARDTOP & ACCESSORY GUIDE

INTRODUCTION

TRUCKMAN – THE UK'S LARGEST HARDTOP MANUFACTURER

For nearly 30 years, Truckman - the UK's leading hardtop and accessory supplier, have been proud to work in partnership with Toyota GB.

Truckman hardtops are renowned for their robust, secure and stylish features, the ideal accessory for both leisure and commercial customers.

The hardtop range has been specifically developed using state-of-the-art manufacturing to complement the stylish lines of the newly designed Toyota Hilux and inevitably produce the perfect hardtop for Hilux customers.

All Truckman hardtops are designed in the UK, whilst our renowned commercial range are completely designed, engineered and manufactured at Truckman's West Midlands headquarters – making Truckman one of the most durable and reliable hardtop ranges on the market.

Truckman also offer a wide range of tonneau covers, styling products, loadbed accessories and protection kits making them an ideal accessory partner for the Toyota Hilux.

" Toyota GB are proud to have been associated with the Truckman brand since 1988 and work in close collaboration in terms of the product design process and support to the dealer network. Truckman tops are the only approved third party supplier of HILUX hardtops for the Toyota brand in the UK. "

Paul Burborough

Accessories Manager - Toyota GB

Truckman hardtops are covered by a comprehensive 5 year warranty for the structural shell and 3 years warranty for all other component parts.

BEDLINERS

Quick and easy access to the tie down points

TRUCKMAN OVER RAIL BEDLINER

Add some extra paintwork protection along the top of your load bed, as well as securing the interior of the truck bed with an over rail bedliner.

NOT SUITABLE FOR HARDTOP OR TONNEAU FIXTURES.

Protect your truck bed from any potential dents and scratches with an extremely durable and robust bedliner.

Key features include:

- Toughest bedliner on the market
- Allows air flow underneath the load liner
- Designed specifically to fit to each pick-up model
- Easy installation with no drilling required
- Grooved to prevent water pooling under the loadliner
- High grip surface

***TRUCKMAN* UNDER RAIL BEDLINER**

Protect the inside of your truck bed from dents and scratches.

SUITABLE FOR ALL HARDTOP AND TONNEAU FIXTURES.

TRUCKMAN INVIS-A-RACK

INVISIBLE TO INVALUABLE IN SECONDS

Showcase your Hilux as a cargo truck with the famous Invis-A-Rack. The perfectly affordable solution for small business owners.

KEY FEATURES

- Simple non-drill installation
- Easily folds open and away in minutes
- 225kg Weight capacity
- Robust and lightweight aluminium construction
- Fits all cab sizes

INVIS-A-RACK

TRUCKMAN **BEDRUG & BEDMAT**

THE LUXURY BED PROTECTION

The ultimate accessory for customers having to constantly climb in and out of the truck bed - perfect for dog owners.

Helps protect your knees from hard surfaces and helps secure the contents of your truck bed from sliding.

KEY FEATURES:

- Fits the base of the truck bed
- Ideal for dog owners
- Quick and easy to clean and dry
- Cushioned foam non-skid surface
- Fade and UV resistant

BEDRUG - FITS THE BASE AND SIDES OF THE TRUCK BED

BEDMAT - FITS THE BASE OF THE TRUCK BED

TRUCKMAN **JACK RABBIT**

THE ULTIMATE ROLLER TONNEAU

Secure your pick-up with the lockable roller tonneau and safely store possessions away from view.

KEY FEATURES:

- Fully secure and lockable
- Locks into position every 30cm
- Latch and Lock handle
- Built in drainage system
- Simple, non-drill installation
