GET ORGANISED, GET DECKED

TRUCKMAN

THE UK'S LARGEST HARDTOP MANUFACTURER

THE TOUGHEST BEDLINERS ON THE MARKET

TRUCKMAN OVER RAIL

The Truckman over rail bedliner is ideal for customers who are looking for a way to protect their vehicle bed and do not wish to add a hardtop or tonneau cover. Your pick-up bed will be protected against damage from scratches and spillages. The over rail bedliner lips over the rail of your vehicle, ensuring the ultimate protection.

TRUCKMAN UNDER RAIL

Protect the bed of your pick-up from damage such as dents and scratches with one of our under rail bedliners. An under rail bedliner is the right choice for you if you are looking to add further accessories to your truck bed, including a hardtop or tonneau cover. They are designed to allow easy fitment of such accessories, as the bedliner does not lip over the rail of your vehicle.

MAXLINER

BED LINERS

ULTIMATE BED PROTECTION

SEE VIDEO ON OUR YouTube CHANNEL

AVAILABLE FOR ALL PICK-UP MODELS

PROTECT YOUR TRUCK BED FROM **DENTS** AND **SCRATCHES** AND HELPS PRESERVE THE **VALUE** OF YOUR PICK-UP.

MAX OVER RAIL

Over rail bedliners are ideal for pick-ups without accessories such as tonneau covers and hardtops. The liner reaches over the rail of your vehicle and therefore provides ultimate protection.

MAX UNDER RAIL

Under rail bedliners are ideal for pick-ups that have, or are going to have truck bed accessories such as tonneau covers and hardtops. The load liner doesn't lip over the rail of your vehicle therefore allowing easy fitment of such accessories.

BEDRUG
PREMIUM BEDLINER

THE ULTIMATE IN LOADLINER LUXURY

BEDRUG

The ultimate in load liner luxury. The BedRug limits any sliding of cargo or pets. The perfect accessory for customers having to frequently climb in and out of the truck bed.

- *Fits the base, sides and tailgate of the truck bed*
- *Quick and easy to clean and dry*
- *Cushioned foam non-skid surface*
- *Fade and UV resistant*
- *Non slip*
- *Rot resistant*
- *Ideal for dogs*
- *Pressure washable*

BEDMAT

The BedMat helps to protect your precious knees from hard surfaces.
Pressure washable and ideal for dog owners.

- *Fits the base of the truck bed*
- *Quick and easy to clean and dry*
- *Cushioned foam non-skid surface*
- *Fade and UV resistant*
- *Non slip*
- *Rot resistant*
- *Ideal for dogs*
- *Pressure washable*

MAXBOX TOOL BOXES

PHANTOM GULL WING

CONCORDE 2

CONCORDE V SHAPE

Maxbox toolboxes provide a secure place to keep your tools whilst on the move.
A heavy-duty slash proof shell and a locking system, so you can rest assured that your tools will remain safe.
They are designed for heavy duty use and are resistant to spillages including oil and chemicals.

WATER DEFENCE KIT

Reduce the likelihood of water getting into your tailgate area with the water defence system, designed for use with Truckman tops. The Water Defence System is discreet and channels the water away to reduce leakages into the tailgate area. Furthermore, it helps to prevent road spray from entering the load bed.
Please note: It will minimise water ingress, but cannot 100% eliminate it.

SLIDING TRAYS

BEDSLIDE 1000

BEDSLIDE improves the accessibility of your truck bed contents with the aid of an easy access pull out drawer with an impressive 1000kg load capacity. No more crawling around to get your tools!

FEATURES

- 1000lb capacity (evenly distributed)
- 32-inch wide grab bar for easy access from either side
- 2-inch Cargo Cages to secure cargo
- Multiple locking positions for safety and convenience
- 5-Year Guarantee
- Easy installation and removal system
- Skid-proof Fuzz deck
- Stylish design

MOUNTAIN TOP

Easily access the contents of your truck bed with the help of the Mountain Top Sliding Tray. The easy access drawer is made of tough aluminium.

FEATURES

- 500kg load capacity
- Non-slip surface
- Multiple locking positions
- Easy reach handle
- Available for the Double Cab

MAX STORAGE CASE

Securely and neatly store your tools away from view with the Max Storage Case. With built in storage compartments to help you organise your tools.

FEATURES

- Weather resistant with seal around lid
- Lockable with padlocks (not supplied)
- Removable - so you can take your tools with you
- Fitted by drilling bedliner
- Mounting kit supplied
- Built in cup holders
- Available for most double cab pick-ups

UNDERCOVER SWING CASE

The perfect accessory when looking for a secure – yet super accessible way to store their tools in their truck bed.

FEATURES

- Lockable, supplied with 2 keys
- Swings out when locking handle is pulled
- Fits around the wheel arch
- Weather seal around lid
- Neat storage tray under lid with deep storage below
- Built in cup holders
- Available for most double cab pick-ups

CHROME HEADLIGHT BEZELS

Instantly enhance the style of your vehicle with the aid of a set of headlight bezels.

CHROME REAR LIGHT GUARDS

A stylish way to protect your lights from minor knocks and bumps. The light guards are designed and moulded specifically for your vehicle to ensure a perfect fit.

STAINLESS STEEL DOOR HANDLE COVERS

Stainless steel door handle covers are profiled to fit perfectly over the existing door handles of your vehicle. Great for adding style and protecting handles from scratches.

CLEAR HEADLAMP PROTECTORS

Headlamp protectors are the perfect solution for avoiding headlight damage.
Made from impact-resistant acrylic.

UNIVERSAL WEATHER GATE SEAL

Weather Gate seal creates a seal along the sides and bottom of your tailgate. A useful way to help keep out water, dirt, wind and exhaust fumes from your pick up bed.

WHEEL ARCH KITS

VISIT
www.truckman.com
TO CHECK AVAILABILITY

Wheel arch kits are the perfect accessory for protecting your vehicle from road debris and stone chips, ideal for off-roaders.

A stylish six piece kit is fitted over the existing wheel arches.
The kit is supplied in satin black or can be painted to match vehicle.
All fittings are supplied and no drilling is required.

BONNET GUARDS

Bonnet guards provide maximum protection for your bonnet paintwork from stone chips. Our guard range from EGR is individually designed to follow the contours of each vehicle.
Available for the majority of vehicles.

WIND DEFLECTORS

Available for cars, vans & 4x4's, wind deflectors deflect rain and excess wind from entering the vehicle whilst your window is partially open. Truckman stocks both in-channel and adhesive types of wind deflector.
Available for the majority of vehicles.
